Repair Return Instructions

Revision: 15/1/2009 4:43 PM

PLEASE NOTE THE FOLLOWING WHEN RETURNING PRODUCTS FOR REPAIR:

- (1) Securely package in original box (if possible) AND then several layers of bubble wrap.
- (2) If product is a PL60, make sure the two M3 x 6mm transport screws are fitted to hold the lid securely (failure to do this can result in damage to the screen and pushbutton).**
- (3) Include a detailed description of the fault, system setup, and any estimates that have been given.
- (4) DO NOT include the user guide or similar standard documents.
- (5) Please use a service with tracking ability, eg courier, registered post, express post.
- (6) Address to "Repairs", "75 Newman St, Thornbury, VIC 3071".

NOTES:

- a) Typical repair cost range = AU\$60-80 inc gst (inc freight within Australia) per item.
Customers will be billed within this range or contacted for approval if repair exceeds \$80 inc gst.
Any warranty considerations will be deducted from this repair cost.
- b) Damage due to shipping is not covered under warranty (take note of point '2' above).
